POPULAR VETS WINNER, KENNY MAYOH (244), CHASES PETER POLLITT (387) UP THE FINAL INCLINE

AT THE SHARP END AFTER 1 MILE.

R E E B O K 10K

Nearly 700 runners toed the line for the 4th Annual REEBOK 10K. A warm sunny day, combined with a gusting wind, led to a great deal of speculation as to whether the conditions were conducive to fast racing or not. Whilst others debated the merits of an aerobic warm-up prior to the race, most preferred to spectate rather than participate as the "Fatigues" display team went through their paces.

A fast start saw 1984 winner and pre-race favourite, BERNIE FORD of Aldershot, dictating the pace after only 800 metres. Running close to his elbow was MIKE CAPPER of the Wirral, a former Junior International who now spends most of his year in the U.S.A. studying at Providence University. This was to be the pattern for most of the race as, one by one, the leading group was reduced by the pressure of FORD. The exception was MIKE CAPPER.

Meanwhile, Ladies International, CAROL HAIGH of Holmfirth, was running a tremendous race and was certainly "mixing it", with some very experienced men back in the 20's and showing no signs of being overawed by their company.

From 6k onwards BERNIE FORD tried on numerous occasions to break the smooth running CAPPER but experience had to give way to youth! Mike pulled away on the final inclines and crossed the line comfortably despite being chased all the way by Bernie. ANDY TAYLOR of Kendal showed good form in 3rd position whilst it took a dip finish for JOHN HASLAM (4th) to hold off Lancaster student PAUL MAYO. The winning time was a competitive 29.44 which emphasises the greatness of the run by STEVE JONES in 1983 when he ran 28.05!!

First Vet home was popular local runner, KEN MAYOH, in 19th position. However, the performance of the day must have been CAROL HAIGH'S new course record of 33.19 to take the Ladies race in a most convincing manner. Second Lady, LYN EVERINGTON of Harrogate, also ran a fine race to dip under 34 minutes for the distance. The first Lady Vet was again a local runner, CHRISTINE PARKER.

However, on the day everyone was a winner over the 10K distance as they were greeted at the finish by an appreciative crowd and the Cheer Leading groups. Over 20 spot prizes, and the presentation of vests and shorts to the first 70 ladies to finish, must have added to the satisfaction for many.

See you next year.
